

# NEWMAN

Newman is a modern upholstered sofa from the ground, and, if necessary, a sofa bed. It is a compilable collection of different sizes of modules and a coffee table that can serve as a coffee table or a jamb in compositions. Also available in ground floor version with wooden feet. Minimal, rigorous, deliberately exaggerated depths, backed or extremely soft back cushions, regular size and oversized penisers and small tables make the Newman modular collection a timeless contemporary home.

NEWMAN WOOD

NEWMAN STEEL

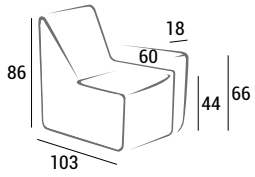

- 1 - fabric/leather;
- 2 - high resilience polyurethane foam of different densities and dacron® fiber 100 gr layer;

## MECHANISM SOFA BED

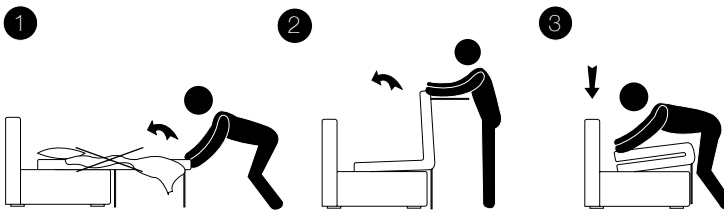

### Opening

REMOVE  
cable ties on the sides before  
lifting the sleeping deck

Opening folding the bed  
incorrectly could damage  
the mechanism

### Closing

REMOVE  
all sheet, blankets and pillows  
before folding the sofa back up to  
avoid breaking the mechanism
