

Elton series

Designed by Glismand & Rüdiger, Denmark

Elton is a timeless series of sofas, armchairs, poufs, and daybeds. Its clean outline offset by the soft cushions and the handcrafted oak frame which elevates the design above the ground, allowing every joined detail to be on display in its most honest form. Designed to last for generations, with reversible back cushions and every component replaceable. Exquisite, handcrafted quality with clean lines and well-thought-out functions.

Meet the designer

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn’t a label, it’s a commitment in their design-work. It’s something to be interpreted in contemporary and new ways, and something to be proudly honoured.
