

Lomi series

Designed by Meike Harde, Germany

Lomi was designed by Meike Harde, with inspiration born from a desire to combine the lounge feeling with simple, Scandinavian design. The result is elegant and comfortable sofas, poufs and armchairs with elegant lines and details, where the cushions are positioned on a base with no-zag springs to provide exceptional comfort. Complete your sofa with your choice of upholstery fabric or traceable leather from our collection.

Meet the designer

My designs are characterized through fine structures, certain transparencies and subtle details adapted in pure shapes. My designs aim towards an aesthetic synergy of material and form. I believe that a decorative element should walk hand in hand with a useful purpose. For me, function and aesthetic are a unified whole.
