

## Veneda series

Designed by Bolia Design Team, Denmark

---

Veneda is a beautiful and timeless series of sofas and poufs. With a luxurious combination of down and foam filling, it is incredibly soft and inviting, yet designed with a simple expression to exceed fleeting trends and tendencies. Veneda's cover is completely removable, which is another great quality ensuring a long lifetime, being able to adapt the sofa to changing needs and wishes. Its deep seats create an exclusive lounge aesthetic that stands in elegant contrast to the classic design language. A design that refuses to compromise on comfort, elegance or quality.

### Meet the designer

We believe that good design is not only about what you see but also about how it is created and the emotions it stirs. Rooted in Scandinavian design traditions, a liberal view of human nature and respect for nature and people, we always stand by our core values – also in our designs. We love functional design, natural materials, beautiful rooms, craftsmanship, durability and substance. Design that is tailored specifically for you and made to last for years.
